CHRISTMAS

CONCERT

7.30_{PM} FRIDAY 17TH DECEMBER 2010
AUGUSTINE UNITED CHURCH, EDINBURGH

Presented by...

EDINBURGH UNIVERSITY
MUSICAL MEDICS

Sponsored by...

Christmas Greetings to the Musical Medics audience!

Welcome to the EUMM Christmas Charity Concert! We are delighted to have you with us today for an evening of music. EUMM is a unique music society in which we donate all the proceeds from our concerts to medical charities. For this concert, we are supporting a local charity – Fight Against Cancer Edinburgh (FACE) – based in Western General Hospital.

EUMM is placing ever more emphasis on its charity work this year. We have helped provide music in the FACE Christmas Fair, promoted the uptake of flu jab, and organised a Charity ceilidh after the concert, which you are all cordially invited to come. Your support is the source of our motivation for carrying on with the work that we do, and EUMM would like to thank you for this.

Lastly, without the hard-work that EUMM members have put into rehearsals, none of the events could have happened. So I would like to take this opportunity to thank them for supporting this society.

Michael Poon
EUMM President 2010/2011

Fight Against Cancer Edinburgh (FACE)

F. A. C. E. founded in 1990, originally stood for Fighting against Cancer in Edinburgh but has come to represent the activities of a group of people working throughout the South East of Scotland. We are a charity based in the Western General Hospital in Edinburgh which raises money to improve the facilities for the benefit of patients there and the peripheral clinics in Fife, Edinburgh and the Lothians, the Borders and Dumfries.

The main aim of F.A.C.E. is to raise money to support and make possible a series of small improvements to patient care and comfort, while charities like the Cancer Research UK, provide monies for major enhancements in cancer care in the form of new buildings and research.
